

The Burnaby School District is looking to hire a full-time **FACILITIES TECHNOLOGIST**. This position will be responsible for providing technical and architecture information support to ensure maintenance programs and projects adhere to applicable codes, by-laws and regulations. This position communicates between internal staff and external consultants/contractors to enable the successful completion of assigned projects.

Applicants must have:

- Completion of Grade 12 or equivalent
- **A two-year diploma in Building Technology (Architectural or Building Science) from a recognized institution**
- **Three years related work experience** and/or equivalent combination of training and/or experience
- Demonstrated experience, skills and ability in computer-aided drafting
- Sound knowledge of British Columbia Building Code and other applicable entities
- Valid and current B.C. Driver's License (Class 5)
- Excellent organizational skills and the ability to meet multiple and competing deadlines as well as respond to time-oriented emergencies

Applicants are expected to:

- Have thorough knowledge of computer operation and software applications related to work performed
- Maintain good interpersonal skills and have good verbal and written communication skills

This is a full-time, continuing position that works 40-hours/week. The position pays \$31.28 per hour and includes a comprehensive benefits package that includes extended health and dental, paid sick and vacation, pension plan and life insurance.

Application Process:

Applications will only be accepted through Make A Future (<https://bit.ly/3zWXYWB>)

Please include your cover letter, resume, and copies of relevant certificates/qualifications with your application.

Successful completion of a criminal record search is a legislated requirement and will be completed upon hire.

We thank all applicants for this position, however, only those individuals under consideration will be contacted.
