**CAPITAL PROJECTS SUPERINTENDENT**  
**Competition #20011E - Regular Full-Time (Exempt)**

Are you a building technologist looking to grow your career with an organization that makes a real difference in the lives of others? This is your opportunity to work with an innovative local government organization that values staff development and achievement and work life balance. If you love technology and building science, have the skills and experience and want to work with an amazing team, then we encourage you to apply.

With your project management experience and a strong commitment to providing exceptional customer experience, you will be responsible for the capital maintenance and repair program for North Vancouver Recreation & Culture's (NVRC's) extensive collection of buildings, building systems and equipment.

As a member of the Maintenance and Engineering Services management team and reporting to the Manager, Maintenance and Engineering, you will develop and implement a capital maintenance and repair program for all NVRC's buildings, related systems and equipment; plan, schedule, award and monitor the work of consultants and contractors; prepare annual, 5-year and 10-year budget estimates for the capital program; supervise the provision of design drawings and specifications for capital projects and review them; and prepare and maintain a variety of capital project records, documents, manuals and reports. In rotation with other members of the Maintenance and Engineering Services management team, you will be on call for emergency building and system issues for a portion of the year.

Your qualifications include completion of a diploma from a building engineering technology program plus project management experience. A valid BC Class 5 Driver's Licence is required. Membership or eligibility for membership as an ASCT (Applied Science Technologist) or CET (Certified Engineering Technologist) with ASTTBC (Applied Science Technologists & Technicians of BC) is an asset.

**About North Vancouver Recreation & Culture**

NVRC is dedicated to building healthy individuals, families and communities by providing a wide range of recreation and cultural programs, services and events to residents of all ages and abilities. NVRC operates 13 buildings including community recreation centres, a performing arts theatre and a tennis centre.

**Compensation:** \$76,760 – \$85,252 annually, plus a comprehensive benefits package and the opportunity to participate in an earned day off program.

**Closing Date:** April 3, 2020

**Apply Online at:** [www.nvrc.ca/employment](http://www.nvrc.ca/employment) - Competition #20011E

*We thank you for your interest in employment with North Vancouver Recreation & Culture and advise that only those selected for an interview will be contacted.*
