

Facilities Technologists

Full-time CUPE positions

1 regular on-going Architectural Technologist

2 temporary Architectural Technologists (12 month)

Spread across one of the largest and fastest-growing cities in British Columbia, Surrey Schools is the city's biggest employer. Located on Canada's spectacular West Coast and nestled in the southwest corner of Green Timbers Urban Forest, we are just 30 minutes southeast of the city of Vancouver. Surrey Schools is the largest and fastest growing public school district in BC, and with 140 sites across 316km², most of our staff are able to work close to home. The Surrey School District team of approximately 10,000 employees works tirelessly every day to ensure that children are getting the best start they can, providing the preparation to be our leaders of tomorrow .

Due to growth and staff movement, the Surrey School District seeks to fill three positions in our busy Technologist team! As a large organization the Surrey School District is ideally suited for individuals seeking to learn, grow and keep busy. Whether you're a new technology graduate seeking to start your career or a seasoned professional seeking better work-life balance the Surrey School District is the place to be!

Reporting to the Manager of Structural Maintenance, these positions are responsible for providing technical and building information to support maintenance programs and projects. These positions communicate between internal and external consultants/contractors/suppliers to ensure the successful completion of assigned projects and as such the ideal candidates must have exceptional communication skills both written and verbal. Success in these positions requires excellent organizational skills and the ability to meet multiple and competing deadlines, as well as respond to time-oriented emergencies. The Technologist role requires thorough knowledge of computer applications and software applications.

The Surrey School District prides itself on providing our Facilities staff with excellent work-life balance. These days-only positions offer a shift of 7am-3pm, Monday to Friday. The successful applicants will be based out of the beautiful District Facilities Centre located in the heart of Surrey.

Qualifications include:

- Completion of a 2-year diploma in Technology in a related discipline from a technical college;
- Minimum three years related work experience in construction, maintenance field including supervisory experience or an equivalent combination of training and experience;
- Registered or eligibility to register as an Applied Science Technologist (A.Sc.T) or Architectural Technologist (AT-BC) with the Association of Applied Science Technologists and Technicians of BC;
- Sound knowledge of construction assemblies, processes and techniques;
- Sound knowledge of BC Building Code and other applicable entities;
- High proficiency in AutoCAD. Revit an asset;
- A valid Class 5 BC Driver's license.

This is a unionized position that offers a 37.5 hour work week with a graduated hourly wage rate of \$32.27 (start), \$32.65 (year 1) and \$33.03 (year 2), plus a liberal benefit package including pension, health, vacation and sick benefits.

Interested and qualified applicants should apply on-line at [Make a Future](#). Please quote competition #1059-19. The posting will remain open until filled and shortlisting will begin on August 19, 2019.

Note: The successful applicant is required to consent to a Criminal Record Search prior to employment. Only applicants selected for interviews are contacted.
